You can also use your favorite editor and run your programs on the command line.

Program **Visually** or by **Hand**

A first-of-its-kind visual editor that generates code as good as hand written programs.

YOUR SWISS ARMY KNIFE FOR DATA.

Load. Transform. Visualize. Learn. Act.

NO BAD STUFF

NO INSTALLATION. NO COOKIES. NO TRACKING. NO CLOUD STORAGE.

Better than EMR. Better than paper. Works with both.
